- Travel pin keeps door securely closed
- Available in 110/115V 60 cycle or 220/230V 50/60 cycle
- Shipping weight: 65 lbs.
- White vinyl clad steel cabinet and door

## BENEFITS

- Produces up to 23 lbs. of ice per day, and stores 12 lbs.*
- Can be easily installed and built into any convenient location. Only needs 1/4 inch outside diameter water line connection.*
- No need for extra fans, air space, or special venting to the outside of the cabin. **Do not obstruct front grille.***
- Hinges and fasteners are stainless steel to resist corrosion.*
- Metal door frame and handle, and specially coated grille withstand adverse effects caused by the sun.*
- Only 2-3/4 gallons of water required to produce approximately 22 lbs. of ice.*
- Uses less electricity than a 75-watt light bulb.*
- Fits any location, easy access.*
- Permits adjustment of daily ice rate.*
- Surrounds front of cabinet for easy mounting in surrounding cabinets.*
